Conclusion

To anticipate claims 1-35, Mourad must disclose each and every element as set forth in the claims 1-35 and be an enabling disclosure of claims 1-35. Because Mourad does not disclose or place one of skill in the art in possession of a method for online shopping that includes a shopping cart that collects item information from the merchant web site prior to checkout and installing an already downloaded the electronic item through a merchandise pickup facility already installed on the client as claimed in independent claim 1, Mourad cannot anticipate claims 1-35. The rejection of claims 1-33 should be withdrawn and the case should be allowed. Applicants respectfully request the reconsideration of claims 1-33.

The Commissioner is hereby authorized to charge or credit Deposit Account No. 09-0447 for any fees required or overpaid.

Respectfully submitted,
